HISTORY

During the nineteenth and early twentieth centuries, the United States was defended by a system of fortifications designed to protect its harbors and strategic waterways. With its cornerstone laid in 1825, Fort Hamilton was part of this network and was the first Third System fortification built in New York City. The fort had two missions. The first was to support actions against enemy warships seeking to pass through the Narrows. Its second was to defend itself and the other Narrows forts against land based infantry attacks.

During the Civil War, batteries of powerful smooth-bore Rodman guns were added to Fort Hamilton's defenses. Between 1898 and 1905 Fort Hamilton's defenses were again upgraded to include large caliber disappearing guns and mortars. During World Wars I & II, Fort Hamilton served as a key defensive position and a major point of embarkation. Nevertheless Fort Hamilton's defensive mission came to an end during the Cold War, and the garrison came to support other activities.

Today the United States Army Garrison Fort Hamilton stands as the 4th oldest continuously serving military post in the United States, and the only active duty military installation in the City of New York.

Becoming a Club..

The Fort Hamilton Community Club is a New York historical landmark specializing in fine dining and catering. Our facility offers casual dining, full-service brunches, after-hours lounge, an outdoor swimming pool to serve the military and members of the general public. The Community Club's beautiful grounds, overlooking the Verrazano Bridge, adds a sense of history while providing elegance for your conference, private party or wedding.

Lafayette Room & Pub

The Lafayette Room & Pub previously known as the Hamilton Lounge, now offers one of Brooklyn's most alluring and breathtaking panoramic views, displaying our distinguished & historic atmosphere. You will find a variety of domestic, imported, and craft beer, fine detailed cocktails, and an extensive wine list to enjoy the magnificent view of the Verrazzano Bridge.

The Lafayette Room and Pub was named after the old Fort that now holds the Verrazzano Bridge. The Lafayette room and pub swiftly became a popular gathering spot for Service Members of our different branches: US ARMY, US Marine Corps, US NAVY, US AIR FORCE & US COAST GUARD.

Our main goal is to provide unmatched customer service to our Military Community and, in turn, extend our services to patrons of the surrounding communities of the Fort Hamilton ARMY Installation.
